The Nursery School in question is in receipt of a maintenance grant of Rs 50/- per month from the Department of Public Instruction sanctioned in G O No E. 7905-6/Edn 15-45-48 dated 26-6-1946 This grant of Rs 50/- per month is based on the expenditure on Establishment and house rent as contemplated in the Grant-in-aid rules and has no bearing on its other sources of income such as contributions from the Municipality or the District Board and the fee income from pupils which are utilised for providing milk, lunch etc to the children and to meet the Management's share of cost in running in the institution

As Government have very recently announced it as their policy to encourage the establishment and maintenance of Nursery Schools all over the State in their Order No. E 3212-13/ Edn 173-44-27 dated 28th October 1946, I am of opinion that the proposed reduction of the municipal grant from Rs 600/- per annum to Rs 200/- per annum will cripple the resources of an Institution which is reported by the Inspecting Officers to be serving the needs of the locality and maintained in an efficient condition in the City of Mysore

4) A lump sum of grant of Rs 50/- was sanctioned to the school as far back as July 1938 when the expenditure of the school was Rs 284/- per month It was sanctioned for a period of three years from 1-7-1938 in Government Order No E 658-9/Edn 57-37-9 dated 27-8-1938 and the same is being renewed since then The period of sanction will continue, as per Government Order dated 26-6-1946 referred to above till 30-6-1949 As per information available in the office the expenditure of the school was Rs 267/- per mensem (as it stood in October 1946) under establishment charges and house rent and the grant admissible works up to 40% of Rs 267/- or Rs 106 4/5 per mensem or Rs 107/- per month in round figures The school is getting, therefore, much less than what it is entitled to under rules Further it is incurring expenditure on Cow's Milk supplied to children besides providing free schooling to poor children

REVENUE SECRETARY
Sir,

Subject - Grant to Kindergarton and Nursery School

I have the honour to state that as per the resolution of the Municipal Council to accord sanction to the payment of a monthly grant of Rs 50/- to the "Nursery School and Kindergarton" D Subbiah Road, Mysore Government were pleased to approve of payment of a grant of Rs 25/- only p m in their order No L 5538-9/M1 13-30-64 dated 22/29-1-1937 for a period of one year Subsequently at their meeting held on 26-3-1938, the Council approved of the recommendation of the Managing Committee to the payment of a grant of Rs 50/- p m to the Institution as a permanent measure Accordingly the grant was being paid to the above Institution at the enhanced rate of Rs 50 p m till the end of 45-46 (under Rule 27(d) M A M)

The Council resolved at their meeting held on 17-5-46 that the annual grant be reduced from Rs 600/- to Rs 200/- to enable them to give grants to other similar Institutions in the City

The Foundress and Director of the Institution thereupon represented and repeatedly urged for the restoration of the grant in as much as the Institution was giving cows milk to children, besides allowing free admission to poor children and also the scope of activity was of a higher standard etc They also represented that the Council was not in order in suddenly stopping the grant On looking up the rules, it was noticed that any reduction required a notice of 12 months under Section 62 of the City Municipalities Act

The suoject was therefore placed for the considerat of the Managing Commıttee who recommended the restoratıon o grant to the orıginal figure The Councıl in theır meeting held on 27-2-1947 have resolved tnat the old grant at the r. of Rs 50/- p m may be contınued up to 1-5-1948 and a notice issued in the meantime (to comply with the provısions of Sec. 62) to the authorıtıes concerned that the grant will be reduced from Rs 600/- to Rs 200/- per annum with effect from 1-5-1948 ın vıew of the slender finances of the Municipalıty and also in view of the Councıl's commitment to pay contributıons to several other Institutıons of the same kind ın the Cıty rangıng from Rs 70 to Rs 100 per annum

I enclose a copy of the resolutıon as well as a copy of the notice to be ıssued to the Foundress I request you kındly to obtain sanction of Government to the resolution of the Municipal Councıl dated 27-2-1947 under sectıon 62 of the City Municıpalitıes A-ct

Municipal Grant to the Kindergarden and
Nursery School - at Mysore

Sir,

With reference to your letter No MS-P 131
dated 14-3-47, requesting sanction to the 46-47
resolution dated 27-2-47 of the City Municl, in
regard to the reduction in the grant given to the
above institution from Rs 600- to Rs 200- per
annum, from 1-5-48 - ~~to enable~~ I am directed to state that
the Nursery School in question is in receipt of
a maintenance grant of Rs 50- per mensem
from the Department of Public Instruction and
this grant is based on the Recurring ~~on~~
establishment and House rent as contemplated
in the grant-in-aid Rules and has no
bearing on its other sources of income

which are utilised for providing milk, lunch, etc to the children - and for meeting the Management's share of cost in running the institution

It is seen that the Expenditure of the School was Rs 267- per mensem (as it stood in Oct, 1946) under "Establishment Charges and House Rent" and the grant admissible works up to Rs 107 per mensem The School is therefore getting much less than what it is entitled to under the Rules Further, it is incurring Expenditure on Cows Milk supplied to children, besides providing free Schooling to poor children

In view of the above, we consider that the proposed reduction of the Municipal grant from Rs 600-0- Rs 200- per annum, would cripple the institution which is reported by the Inspecting Officers to be serving the needs of the locality and maintained in an efficient condition in the city of Mysore.

In the light of the above facts I am to request that the considered opinion of the Mysore City Municipal Council in this behalf may be obtained and forwarded to this Office

Yours faithfully

Sir,

Subject - Grant to Kindergarten and Nursery School

With reference to your letter No L 17158 dated 19-6-47 requesting to intimate the considered opinion of the Municipal Council in the matter of reduction of the grant to the above institution from Rs 600/- to Rs 200/- in the light of the facts detailed in your letter, I have the honour to state that the grant of Rs 600/- per year was sanctioned to this - institution at a time when there were very few institutions of the kind Since then a number of institutions have sprung up, and the Municipality has been paying grants to four institutions at rates varying from Rs 100/- to 150/- per annum The Council therefore considered that a grant of Rs 200/- per annum to the institution in question is sufficient now. ~~when~~ The subject came up for their cnsideratin again on 31-7-1947 and they have - resolved that there are no reasons for reconsideration of the subject

In enclosing herewith a copy of the resolution of the Council, I request that sanction of Government may kindly be obtained for the reduction of the grant from Rs 600/- to Rs 200/ per year, as resolved by the Council
